

7th Annual **Garrett Wonders** Memorial Bike Race

SATURDAY
July 31st
Uptown
Westerville

Garrett Wonders was a 25-year-old elite cyclist and Olympic hopeful who was tragically struck by a car while on a training ride. Garrett's cycling career started with the Westerville Bike Shop, racing for the OSU Cycling Team. His enthusiasm for the development of new cyclists lives on through his memorial fund. All proceeds from the non-profit race are donated to the Garrett Wonders Memorial Fund established by his family to promote cycling safety and fund an Ohio State University cycling scholarship.
